

International 2.4mR Class Association Application to Host a World Championship or Continental Championship

If a yacht club and a 2.4mR Fleet have agreed to hold a 2.4mR Class World Championship or Continental Championship, in their local waters, the club should write an informal letter to:

2.4mR Class Association
8749 S.W. 154 Circle Place
Miami, Florida 33193 USA

and make an application for this event, with a copy to the home 2.4mR Fleet. The 2.4mR International Class Association will then send this application form together with a copy of the valid 2.4mR Class Rules for the purpose of compiling the information for evaluating alternative sites for that event.

Application for World Championships or Continental Championship shall reach the 2.4mR International Class Association not later than

Decisions for World Championships or Continental Championship will be made by the International Executive Committee of the 2.4mR International Class Association.

The club applying for the event (host club) is requested to fill in the following:

1. NAME OF THE EVENT

2.4mR Europeans Championship 2016 within Kieler Woche 2016

2. HOST CLUB

2.1 Full name, abbreviation of name, and full address:

Kieler-Yacht Club e.V.
Kiellinie 70
24105 Kiel
Germany

Telephone: +49 431 800 98 15 Fax number: +49 431 800 98 20

E-mail address: regatta@kyc.de

2.2 Name of the person to be contacted for further communications:

Ms. Martje Uecker

2.3 Host 2.4mR Fleet:

2.4 Name of fleet officer to be contacted:

Fleet officer's contact information: _____

3. SCHEDULE

3.1 Proposed dates for this event:

Measurement days:

Friday June 17th and Saturday, June 18th

Races Days: Saturday, June 18th to Wednesday, June 22nd

Reserve day(s): Not required

3.2 Do you know any other 2.4mR International Class Association events that will coincide with these dates?

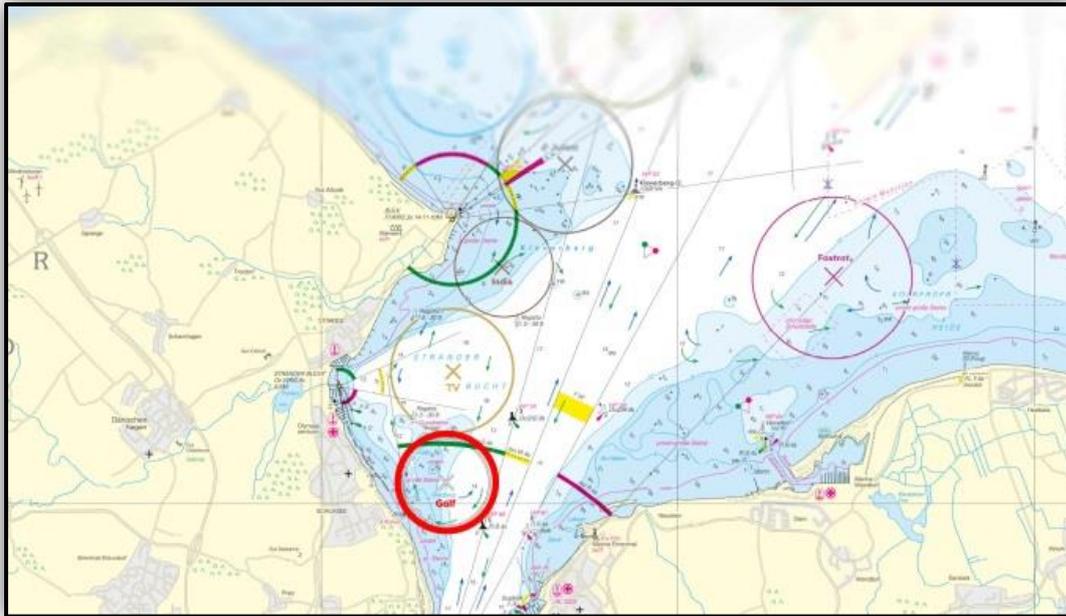

No

3.3 Have any other regattas been scheduled on the same waters at the same time or which may be in conflict with the proposed schedule? State name(s) and classes:

2.4mR will be racing within the Kieler Woche, which is the same procedure like in all other years

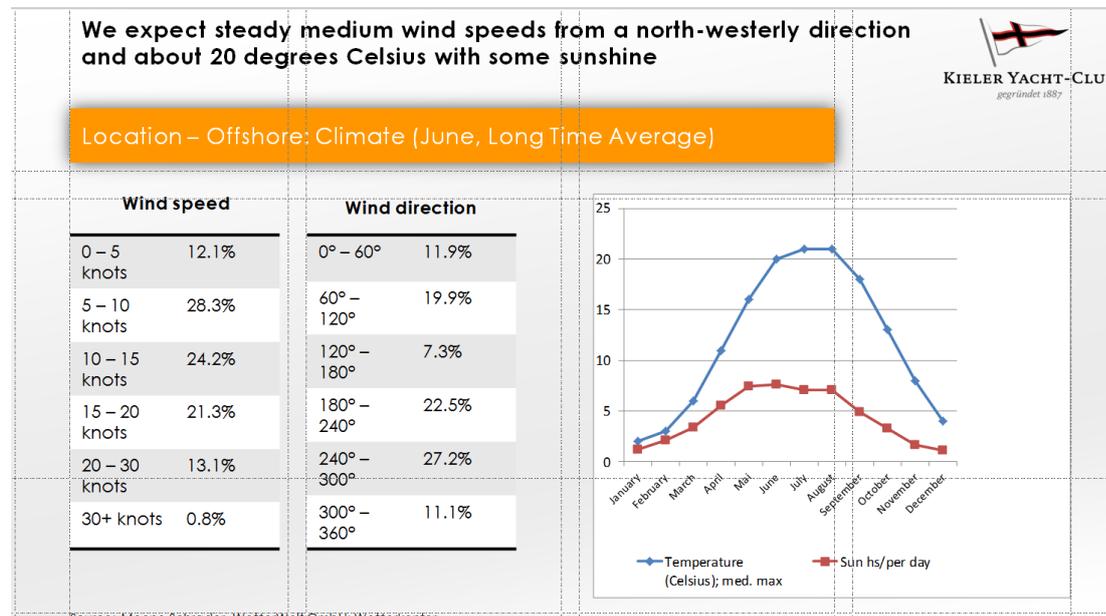

4. RACING AREA

4.1 Enclose a chart and mark the area in which the course will be laid, and the distance from the moorings or harbor to the approximate center of the area.

- Close to the harbor, max. 20 min. away

4.2 Give information about meteorological conditions (prevailing winds, force and main direction at the time of the regatta, any possible influence of shoreline):

4.3 Give information about hydrographical conditions (tidal or other currents, water depth(s), obstructions, any restrictions by authorities):
Almost no tide or current

5. RACE MANAGEMENT

5.1 Are experienced regatta personnel available for management of a possibly big fleet?

Yes, with experience from many Kieler Woche years and championships

5.2 Who will be the Chief Race Officer on the course?

Probably Stephan Giesen, who is always in charge of the 2.4mR class during Kieler Woche

5.3 Confirm that you have read and will follow the "Rules of the 2.4mR International Class Association and the Race Management Manual governing 2.4mR World Championships and Continental Championships. Yes

5.4 Are there adequate vessels for race management and rescue available at the time of the regatta? Yes

5.5 Do you have sufficient equipment (marks, signals, radio communication, navigation aids)? Yes

5.6 Confirm that you will draw up the Sailing Instructions according to the standard "**Sailing Instructions for 2.4mR International Class Association Events**".

Yes

5.7 Send a draft of the "Notice of Race" and, later on, a draft of the Sailing Instructions to the 2.4mR International Class Association for approval by the 2.4mR International Class Association Executive Committee.

6. JURY and RACE COMMITTEE

6.1 Read "Rules of the 2.4mR International Class Association and the Race Management Manual governing 2.4mR World Championships and Continental Championships.

6.2 Recommend members to serve on the Jury and Race Committee

Well experienced and global known Kieler Woche jury

7. FACILITIES ASHORE

7.1 Will yachts be moored or dry-sailed during the event?

2.4mR will be located like in all Kieler Wochen all together tight to a floating platform directly next to our crane and brand new wheelchair optimized ramp

7.2 How many hoists will be available?

There are 10 around the Olympic center Kiel-Schilksee

7.3 Are sufficient rooms available for Regatta Office, Jury room, scoring and printing, presswork, all close to the moorings of the boats?

Yes

7.4 Describe facilities for measurement.

We generally can offer halls and sufficient space – details need to be agreed for the event with the class

Contact the 2.4mR International Class Association in advance to lay down measurement procedure, equipment and personnel, space for measurement. Only a certified 2.4mR Class Measurer is permitted to measure the 2.4mR Boats at this Championship.

7.5 Describe facilities for contestants, committee members and their company in or around the club area.

Olympic center, located next to beaches

7.6 Describe hotel and housing facilities; add list with prices and locations.

Within Kiel:

- Capacity overall: 1,905 rooms
- 4 stars: 666 rooms
- 3 stars: 695 rooms
- 2 stars: 51
- Campsite directly next to racing area!
- Not classified: 492 rooms

Kieler Woche event location plan 2014

7.8 Are yacht and sail repair facilities available?

Yacht repair is done professionally by International Farbenwerke for free for Kieler Woche participants directly within the event area.

Sail repair is done by North sails also within the event area.

8. CHARTER BOATS (Information to be given by the Host Fleet)

8.1 Will charter boats of sufficient standard be available?

8.2 How many do you expect?

8.3 At approximately what cost to participants?

8.4 Are the boats insured?

9. TRANSPORTATION

9.1 What air and ground transportation facilities are available to participants?

- Airports: Kiel, Hamburg, Lübeck and Denmark (Billund and Sonderburg)
- Distance to Hamburg: 100 km
- Very high quality level of public transport (both train and bus)

9.2 What arrangements can be made, if any, for special low-cost shipping of yachts to this location?

9.3 If shipped yachts must be moved overland to this location, how will this be arranged?

10. SOCIAL EVENTS

10.1 Describe what social events are intended?

- Opening ceremony incl. Food & Beverages on Saturday, June 18th
- 2.4mR BBQ paid by class
- BBQ on Tuesday, June 21st
- Price giving on Wednesday, June 22nd

10.2 Contact the 2.4mR International Class Association well in advance to lay down procedures of official meetings, the opening ceremony and the presentation of awards.

10.3 Describe possibilities for people accompanying participants to watch the races.

- Kieler Woche.TV: each day, there are live TV productions with professional moderators in English and German showing the races
- AUDI and SAP Sailing Arena: here, the Kieler Woche.TV is shown on large screens
- www.livecenter.kieler-woche.de : here the races will be shown either live on TV or via tracking visualization

11. LOCAL CLASS INFORMATION (to be given by the Host Fleet)

11.1 How many 2.4mR boats in the National Class Association?

11.2 How many 2.4mR Boats in the Host Fleet?

11.3 How many Fleet members will be participating in the organization and management of the event? _____

11.4 What activities are available in the area for non-participants and families?

12. PUBLIC RELATIONS / PROMOTION

12.1 To what extent do you think this event will receive coverage by sporting (especially yachting) and local press and international press agencies?

Global reach via print, online, social media and TV through professional press work.

12.2 How many press people do you expect?

Our own TV team consists of 70 people, our PR team of 3 people. External are 5-30 people per day on the event area

12.3 Will special press boats be available?

Yes

12.4 What results do you expect with regard to the further development of the 2.4mR Class in

your area? Kiel.Sailing City and the Kieler Yacht-Club with the Kieler Woche takes Paralympic sailing extremely serious and wants to contribute for further growths of the 2.4mR class.

13. ENTRY FEE

13.1 What will be the entry fee?

210 EUR

13.2 What is included in these fees and what not?

Please see attached presentation

14. SPONSORING FIRMS / FINANCING / ADVERTISING

14.1 Please inform the 2.4mR International Class Association about your budget for this event.

14.2 Do you intend to use the assistance of sponsoring firms?

As this European Championship will be integrated within the Kieler Woche, we will use the Kieler Woche sponsors to fund this Championship.

14.3 What are their conditions affecting the event?

14.4 Do you intend to obtain financial support from advertisements in printed publications?

14.5 What are you planning with regard to selling articles like T-shirts, bags, pins, etc.?

14.6 In order to avoid any conflict, please contact the 2.4mR International Class Association well in advance to discuss problems regarding sponsoring firms and advertising.

14.7 How many prizes do you intend to award besides the 2.4mR Class Perpetual Trophies?

What kind? Kieler Woche prizes and some additional prizes

15. Will your National Sailing Federation grant this 2.4mR International Class Association Event without any restriction?

As soon as the 2.4mR International Class Association has decided this event to be organized by your club, form an Organizing Committee, including members of the host fleet. Keep close contact with the 2.4mR International Class Association. It is better to ask twice than to be wrong once! Please be aware that later, when entries are made, the Eligibility Rules of the 2.4mR International Class Association need special observance.

The 2.4mR ICA will inform in time.
